Confirming Johnson-McCloy telecon morning December 18, following  
is text to be substituted for paragraphs seven and eight concerning  
invasion in text quoted in DepTel 1677.

QUOTE The United States further gives assurance that provided no  
nuclear weapons or other weapons capable of offensive use are present  
in or reintroduced into Cuba, and provided Cuba does not take action  
to threaten the peace and security of the Western Hemisphere, it does  
not intend, as the President made clear at his press conference on  
November 20, to invade Cuba or support an invasion of Cuba. UNQUOTE

End.
